He is getting calls from other leagues and other officiating crews expressing genuine interest in MYFCC. **SPECIAL GUEST(S)**

7:15pm

Bob Allen attended this month’s meeting. Bob has been scheduling officiating crews for 25 yrs. He has people who have heard about MYFCC and let them know he was meeting with us. Bob does three different leagues. Bob is very easy to get a hold of on game days. MHSAA has NOT come out with new rules for 2010 season yet. No major changes. Bob Allen does not have the

MYFCC rules. Bob's contact information is 734-658-4750 (cell) or 734-595-3193 (home) or 734-595-4445 (fax) or blandb3@comcast.net.

Bob uses scheduling program called "Arbiter.com" for officiating crews. Bob also sends out crew chiefs prior to each game. Bob would send out "invite" from Arbiter.com (no charge).

MHSAA only has 3 coaches in the box. Effective last year, coaches must be out of the box once the play starts.

No concern about officiating crew availability in MYFCC locations. Bob's fees are the same for all leagues. Officiating fee is \$640/day which includes (4) officials for three games.

Request to institute pre-game "official's card" listing Head Official and Crew. Will also send Bob copies of game reports. Bob likes using film for teaching purposes.
